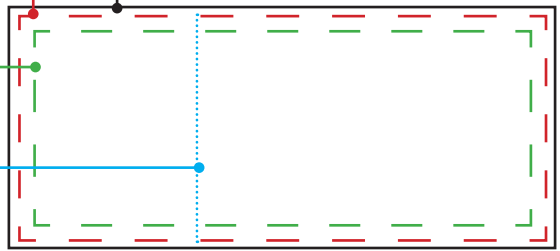
• Bleed Line
Extend background colour or artwork to this line to avoid any white edges from the trimming process.

• Cut Line
This is where we aim to trim the product. The actual line can vary due to the trimming process.

• Safe Line
Keep text and important imagery with in this line to ensure it does not get cut off during trimming.


• Perforation Line
This is where a perferation is place to allow for easy removal of the voucher. Keep all important information and art 0.5 cm from this line.
